EIS ERROR MESSAGES

05/01/02

Severity Codes:

- 10 Warning Message Display message, may or may not require corrective action.
- 30 Conditional invalid data field stored conditionally; must be corrected.
- 70 Deficiency Error Staff or class error must be corrected
- 80 Fatal Field Error data field not stored but rest of extract record processed; must be reviewed.
- 90 Fatal Extract Record entire extract record not stored in SDE database.
- 91 Fatal Extract File entire extract transmission file not stored in SDE database.
- 92 Approval Blocked information stored, but contains or caused errors that will block report approval; must be corrected.
